Temporary Transition Rules

On February 1, 2019, the Boy Scouts of America will begin admitting girls into Scouts BSA (formerly the Boy Scout program). One of the characteristics of Scouting—for over a hundred years—is that no matter when you join, however long you stay, or the rank you attain, the Scouting experience prepares you for life. And for some, the pinnacle of their Scouting experience is achieving the highest rank of Eagle Scout.

The policies of the BSA indicate that, except in extraordinary circumstances, a youth desiring to achieve the rank of Eagle must do so before the youth's 18th birthday. This will continue to be our policy.

It is in the interests of the entire BSA, and in fact our nation, that all girls who join the BSA in 2019 should have an opportunity to earn their Eagle badge should they diligently and promptly complete all requirements. Accordingly, after carefully considering recommendations from stakeholders, including feedback from volunteers and professionals at the 2018 Top Hands Meeting, the National Executive Committee of the Boy Scouts of America has approved the following temporary transition rules regarding extensions for youth over 16 but not yet 18 years of age on February 1, 2019 to complete the requirements for the Eagle Scout award.

To preserve the integrity of the Eagle Scout Award, no exceptions to or waivers of any of the requirements for the Eagle Scout Award are permitted under this limited exception, and all requirements must be completed while the individual is a registered member of Scouts BSA, or after achieving the First-Class Rank in Scouts BSA (as specified in the BSA Guide to Advancement).

Since the BSA has determined that the minimum period of elapsed time to complete the requirements of the Eagle Scout rank is approximately 19-20 months, the extension is not available to any youth who is under 16 years of age on February 1, 2019 (as they will have adequate time to earn their Eagle before turning 18) nor to any youth who has already turned 18 years of age on February 1, 2019 (as they will be ineligible to join Scouts BSA).

1. Youth 16 years of age or older, but not yet 18, on February 1, 2019 who register as members of Scouts BSA on or before December 31, 2019, may request extensions to complete the Eagle Scout Award requirements after they turn 18 years of age.
2. Requests for extensions must be received no later than thirty (30) days after turning 18 years of age. Extensions must be in writing by submitting the designated form to the National Service Center and the form must be received no later than January 7, 2020. Only the National Council may grant extensions. The actual extension will be based upon the individual's registration date and age at the time of the request and will provide not more than twenty-four months from the date of initial registration to complete all requirements.
3. In the interest of fairness, these temporary transition rules apply to all youth joining Scouts BSA during 2019—both girls and first-time joining boys.

Recognition

In keeping with established policy, the Eagle Scout rank is earned when the candidate's award has been approved by the National Council.

The BSA will not recognize a first female Eagle Scout to avoid potentially introducing incentives for leaders, troops or Scouts to prioritize expediency or engage in behavior counter to Scouting's values.

Instead, the BSA will officially recognize our Inaugural Class of Female Eagle Scouts in the fall of 2020, providing young women who join Scouts BSA the needed time to complete all requirements. This Inaugural Class will be celebrated nationally and collectively commemorated.

It is our hope and expectation that local units will ensure substantial individual recognition of their first female Eagle Scouts in a manner befitting their great accomplishments.
