CIRCLE TEN COUNCIL QUALITY UNIT AWARD FOR PACKS

Quality Unit Award Information

- Each pack signs up at the beginning of its charter year and qualifies for awards after the close of its charter year.
- During the charter renewal meeting, a review is conducted by a council representative, usually a commissioner or district executive, to determine if the pack qualifies as a Quality Unit for the past year.

Recognition

- **For packs:** Pennant streamer for flagpole or room display (no charge).
- **For individuals:** All Cub Scouts and adults of a pack qualifying for the Circle Ten Council Quality Unit Award are eligible to wear recognition emblems on their uniforms and quality pins on their civilian clothing. (Emblems, pins and streamers can be ordered from the local council service center.)

INTERPRETATION OF COMMITMENTS FOR THE QUALITY PACK AWARD

Aim to achieve a "yes" on all 8 commitments. You need six (6) to qualify for the Quality Pack Award.

1. **Training.** The Cubmaster, Committee Chair and at least 50 percent of Cub Scout den leaders and Webelos den leaders must complete Basic Leader Training (or Cub Scout Leader Basic Training). Although not required for this award, the pack should strive to have all leaders complete Basic Leader Training. If the unit had trained leaders during most of the charter year, but a new leader was selected too late to complete basic training before charter renewal, the council may still approve this item.
2. **Outdoor Activities.** Encourage all Cub Scouts to participate in at least two approved outdoor experiences. To qualify, the pack must take part in at least two such activities.
3. **On-Time Charter Renewal.** See that the charter renewal application and fees reach the local council service center before midnight of the last day of the pack's charter year. Most units will want to submit their renewal at least 15 days before charter expiration to allow adequate time for processing and any unforeseen delays. Having adequate number of adults to fill positions is important to the health of the unit and strength of program. Work to comply with the annual charter agreement to provide the best Scouting experience for youth.
4. **Membership.** Conduct a membership inventory and personally invite Cub Scouts who have been missing Meetings (retaining Cubs year to year is a mark of good program). Plan a program(s) to invite new boys and girls as they reach Cub Scout age to a pack meeting or other join event.
5. **Pack Meetings.** Good pack meetings and summertime activities should be preceded by meetings of pack leaders and the pack committee.
6. **Finance.** Create an annual unit budget plan to ensure a fun-filled, successful program year. Participate in council provided product sales for a no risk fundraiser for the unit and a family FOS (Friends of Scouting) presentation.
7. **Service Project.** Consider your chartered organization as your first preference. A community service program is another choice. Also, fill in the total number of hours devoted to community service efforts and projects by all youth members of your unit during the past 12 months.
8. **Advancement.** Set objectives for advancement, using the spaces on your commitment sheet. Additional Cub Scouts enrolled during the year are not figured in the percentage. Only those Cub Scouts/Webelos Scouts listed on the charter application at the beginning of the charter year are counted at the end of the charter year.

Examples:

- ___40___ Cub Scouts registered at the beginning of the pack charter year.
- ___32___ Cub Scouts advanced a rank during the year.
- ___80___ percent of these Cub Scouts advanced a rank (commitment is met).

STEPS

1. Attach a copy of both the achievement form to the Quality Unit Recognition Order Form and submit to the local council service center.
