Dear Scoutmaster:

DOES YOUR TROOP HAVE MEMBERS READY FOR ADVANCED LEADERSHIP TRAINING?

I am pleased to announce the Chippewa Valley Council will be conducting the National Youth Leadership Training (NYLT) Course June 13-19, 2021 at the L.E. Phillips Scout Reservation – Winter Camp near Haugen, Wisconsin. The Course is supported by a team of individuals who are committed to providing your Scout with a high quality leadership training experience that will benefit him, as well as you and your Troop. NYLT provides your Scout with the opportunity to learn from his peers who are a part of our Council's Troops and Crews and who have demonstrated their ability to teach their skills to others. Team development, planning and communication skills, ethical decision making and effective guidance of and interaction with others are just a few of the skills your Scout can expect to gain knowledge of and be able to apply to his home setting as well as use in his future achievements in the world.

The Chippewa Valley Council NYLT Course is designed to supplement the Scoutmaster's efforts by teaching advanced skills using resources not normally available to you. This week long course will offer Scouts and Ventures from across the Council instruction in leadership and will demonstrate specific ways to implement them in your organization. The Scout will return to his home Troop able to apply his new skills in the Troop setting with the assistance of your supervision.

As a part of the commitment to this leadership training Scouts completing the course will be asked to fulfill requirements that extend beyond the course time frame and that allow them to apply the training they receive to their particular setting. Completing this additional work will provide them with other opportunities like being able to apply to the National NYLT Course held each year at Philmont Scout Ranch and the chance to become staff members next year for our local Course.

The application process is simple; Scouts meeting the criteria need to complete the application and turn it in to the Boy Scout Service Center along with the deposit and required information. You, the Scoutmaster, have to endorse the application. All Scouts meeting the age and rank requirements are eligible. Please feel free to copy the enclosed application and pass it on to any Scouts who have met the criteria and you feel would benefit from this experience.

When your Scout returns to his Troop, he will be armed with many new ideas and leadership skills which he is going to be anxious to use and apply. To help you understand these new leadership skills, and their benefit we would like to invite you to observe our Course at any time during the week and will be happy to provide you a chance to meet with your Scout and his Team Guide to discuss how the week is progressing for him and answer any questions you may have about the Course.

National Youth Leadership Training is a continuation of our commitment to the youth of our communities. The leadership training of NYLT gives youth a better foundation for future life experiences. Training Youth to become leaders is what we as Scoutmasters do. Watching them develop into those leaders is our reward. Help us to work together to create tomorrow's leaders.

Yours in Scouting;
Glenn Swanson

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

Every person who furnishes any BB device to any minor, without the express or implied permission of the parent or legal guardian of the minor, is guilty of a misdemeanor. (California Penal Code Section 19915[a]) My signature below on this form indicates my permission.

I give permission for my child to use a BB device. (Note: Not all events will include BB devices.)

Checking this box indicates you DO NOT want your child to use a BB device.

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.

List participant restrictions, if any:

None

I understand that, if any information I/we have provided is found to be inaccurate, it may limit and/or eliminate the opportunity for participation in any event or activity. If I am participating at Philmont Scout Ranch, Philmont Training Center, Northern Tier, Sea Base, or the Summit Bechtel Reserve, **I have also read and understand the supplemental risk advisories, including height and weight requirements and restrictions, and understand that the participant will not be allowed to participate in applicable high-adventure programs if those requirements are not met.** The participant has permission to engage in all high-adventure activities described, except as specifically noted by me or the health-care provider. If the participant is under the age of 18, a parent or guardian's signature is required.
