#### WELCOME TO AMERICA'S BEST SCOUT CAMP!

It is an honor to once more serve as your Camp Director for the 2021 season. Once more, you say?? Well, I was the director from 1984 through 1988, a time of great growth and change in Slippery Falls, now Kerr Scout Ranch. We built new buildings, updated the camp program significantly, substantially increased the number attending each summer, and set the standard for future camp staffs in serving your Scouts. Those were enjoyable years for me and solidified my love of this camp.

Clearly, today we live in challenging times and circumstances, and our planning for 2021 is going to reflect these challenges. My desire and focus are to have camp as close to a normal summer as we can, and our work together between now and your unit's week in camp will reflect our efforts. All I ask is please be flexible as we move forward. Fortunately, the camp is in good shape and will be operating in ways that ensure a safe, healthy summer for you and your Scouts.

This guide is not yet comprehensive. There are many factors we are still working on to maintain an active, but safe summer. This is your first glimpse of our plans and program, but other addendums will follow as things take shape. In the meantime, please feel free to contact me with questions. I can be reached at bobspin2@gmail. com or by leaving a call-back message at (405) 394-1842.

I look forward to working with you for a fabulous Kerr 2021!

**Bob Spinks** 

#### **BASIC INFORMATION ON HEALTH & SAFETY**

As we write this guide, there are specific standards for health and safety that dictate changes in our 2021 operations. Here are some adjustments we will be making to open camp for you in June 2021:

We will be limiting the number of campers each week of camp to 200. This will help us meet the social distancing challenges currently in place.

We plan to test each individual arriving at camp with a quick test that can be assessed nearly immediately. Once each person is cleared to remain, they will be allowed full access to the property.

We will require masks when social distancing is not possible.

With your help each day, we will monitor the temperature and health condition of each person, so our camp remains healthy and safe.

Our eating schedule will be modified to stagger eating and use both dining halls in alternate shifts at each meal.

There will be multiple hand washing stations around camp and in your campsite so we can push this method of maintaining sanitation.

Merit badge and Frontiersman sessions will maintain social distancing requirements and your camp staff will be well trained in how to implement these requirements.

We will fill camp one month at a time, starting with June. Once it is full, we will open weeks in July.

We will offer as many merit badges as possible, considering our ability to staff those classes. In this first camp announcement, you will find the list of badges that will be offered and those we plan to offer if we have the staff.

### NOW, FOR THE GOOD STUFF

THE CAMP THEME FOR 2021 IS "ALL OUT FOR SCOUTING, USA" and the program beyond will center around Scouting's Heritage worldwide and locally. The theme is loosely based on a highly successful program in the 1970s known as All Out for Scouting and will feature Camp Staff each day in Scouting historical uniforms as they tell their story, and fun evening activities based on the early origins of our program.

To pique your interest, here are few examples of those activities:

- The Sunday Night Opening Campfire will be a Scouting and Camp History pageant
- On Tuesday evening, we will hold the "Baden-Powell Games", modeled after the Olympics, but with games and competition pulled from the original Brownsea program, B-P's first camp experiment when Scouting began.
- Every day will feature a visit from a famous Scouting founder or leader, each portrayed by our camp staff or by special visitors. Who knows, Baden-Powell may even be there!
- Thursday evening, there will be a reenactment of the original Brownsea encampment with many of the activities used by B-P. Our Camp Leader's Dinner that evening will be tied to this event.

#### **CAMP FEES**

Last Frontier Council Scouts

Early Bird: \$235

Regular: \$250

Out-of-Council Scouts:

Early Bird: \$250

Regular: \$265

Last Frontier Council Adults

Early Bird: \$110

Regular: \$125

Out-of-Council Adults:

Early Bird: \$120

Regular: \$135

### PROGRAM FEES

Maverick campers: \$10

Horsemanship merit badge: \$55

Rifle, Shotgun, & Cowboy Action: \$10

Metalworking merit badge: \$12

Welding merit badge: \$10

Some other merit badges require the purchase of kits from the Trading Post.

### **SUMMER CAMP SESSION DATES**

Week 1 June 6 - 12

Week 2 June 13 - 19

Week 3 June 20 - 26

Week 4 June 27 - July 3

Additional weeks and programs will be offered after the weeks 1-4 meet capacity.

### REGISTRATION

The goal of the registration process is to help campers and staff make accurate plans for camp. This guide contains all of the forms and information necessary to register for summer camp. Most of the process is to be completed online at www.slipperyfalls.com. All merit badge registration is completed online.

### **1** CAMP APPLICATION

Troops should submit the summer camp reservation form found on page 42 to the Last Frontier Council Scout Center. This form includes leader contact information, campsite preference and estimated number of campers. Space will only be reserved with the inclusion of a \$100 deposit.

### ADVANCE PAYMENT

The advance payment, totaling \$100 per Scout, is due by March 1. Only Scouts who have paid the advance payment will be permitted to register for merit badge sessions.

MERIT BADGES AND PROGRAMS

Registration for all merit badge sessions will

be done at online beginning March 1.

### FINAL PAYMENT

The final balance for all Scout and adult leader fees is due May 1, 2021 to the Last Frontier Council Scout Center. The \$100 deposit is counted toward this final payment. Units making camp fee payment by this date qualify for the Early Bird fee rates.

### CHECK-IN

Please arrive at camp with all the required forms and paperwork detailed in the Check-In section on page 9. The camp staff will update schedules and settle any remaining balances at this time.

Any Scouts paying or registering after May 1, 2021 will pay the late fee rate. The only exceptions will be Scouts who joined a troop in the current calendar year and were unable to register for camp on time, and campers who are attending a second session of camp.

#### **PAYMENTS**

Our preferred method of payment is by check made out to Last Frontier Council. Online credit card payments are also acceptable. For Last Frontier Council units, we also accept payment out of unit custodial accounts.

#### **REFUNDS**

Scouts or adults unable to attend camp due to an accident, serious illness or death in the immediate family, family relocation or mandated summer school may request a refund of up to 80% of fees paid. All refund requests are to follow these procedures:

- 1. All refund requests must be submitted in writing or e-mail to the Last Frontier Council, 3031 NW 64th St. Oklahoma City, OK 73116 no later than two weeks after the conclusion of your week at camp.
- 2. To be included in the request: Camp name and date, name of the participant for whom the refund is sought, the reason for the refund, the amount paid to date, the receipt number if available, the unit number and name and address of the unit leader.
- 3. The \$100 Summer Camp campsite deposit is not refundable in the event of cancellation. The advance summer camp payment of \$100 is not refundable but may be transferred from one Scout to another within a Troop. All transfer requests must be made in writing at least one week prior to scheduled camp arrival.
- 4. Refunds are issued due to accident, illness, death in the immediate family or family relocation. "No Shows" will not receive a refund. Other unacceptable reasons are optional summer classes, vacation or work schedule changes, child custody issues, or family-imposed discipline.

- 5. Refunds or transfers will not be granted for those who register for camp and choose to arrive late or depart early.
- 6. In the event a unit made payment for multiple participants, any refunds will be sent to the unit leader for appropriate distribution.

#### ONLINE REGISTRATION PROCESS

Slippery Falls uses online merit badge registration using "BlackPug" software. Merti badge session registration will open at 8am on the morning of March 1 to all of the units that paid the \$100 per Scout advance payments by that date. Units paying after March 1 will gain access once their payments are processed at the council office.

It is a simple process to drag and drop merit badge and program choices to enroll Scouts. Individual schedules and troop schedules are then available to save or print.

#### PRE-CAMP LEADER ORIENTATION MEETINGS

We will offer two leader orientation meetings via video conference. It is very important that units have a representative at one of these meetings (and is an option to attain Honor Troop status.) The camp staff values the input from unit leaders on the program and will go over any questions leaders have regarding summer camp. All units registered will recieve the Zoom link by e-mail for the orientation meetings.

Tuesday, April 6 7:00 p.m.Saturday, April 10 10:00 a.m.

### **CAMPSITE RESERVATION**

Troops that were in a campsite last summer were able to reserve a spot by placing a deposit during their week at camp. Available campsites may be reserved on a first-come, first-served basis. The campsite reservation is nonrefundable, but may be used toward the total camp fee. Troops that make a reservation, but for any reason do not show, forfeit their \$100 deposit. Units coming to camp this summer will have first pick to reserve their campsite for the next summer and provide an estimated number of campers.

IMPORTANT: Even if the site is reserved in advance, a unit may be reassigned to an alternate location or may be required to share a campsite with another unit if there is extra capacity in a campsite.

#### **CAMPSITES AND TENT OPTIONS**

Many, but not all, of our campsites have canvas tents on wooden platforms. The list below shows only those campsites that do and how many tents per campsite are provided. Any modifications that need to be made to tents and tent platforms to conform to special needs should be turned in to the program office in advance so that proper accommodations can be made. Each platform has one tent that holds two people only, so if the campsite doesn't have enough tents, troops should arrange to bring more to fulfill the total need. The campsite reservation will be based on two adults in each tent. Cots are not provided with the tents and platforms.

Each campsite has a latrine, a hand washing station and picnic tables. There is no electricity in the campsites, and no generators are permitted. Shower facilities with individual stalls and toilets are located within 1000 feet of all campsites.

### Campsites with tents provided:

Arrow C	14 platforms
Arrowhead	12 platforms
Broken Wagon Wheel	16 platforms
Charlie Brown	12 platforms
Diamond E	13 platforms
Four E	25 platforms
HJ Connected	30 platforms
Nichols Don	12 platforms
Rafter B	12 platforms
Spade	11 platforms
WF Connected	12 platforms

#### **ARRIVAL TIME**

Units should plan to arrive at camp beginning at 1:00 p.m. and no later than 3:00 p.m. on Sunday. Units arriving on Monday should arrive no later than 7:00 A.M. and are required to contact the camp office at least a week prior to the arrival date to make arrangements. This will ensure that all the logistics surrounding check-in are taken care of. If a troop requires a Saturday arrival, please make arrangements through the Camp Director. Camp will be closed between 10:00 A.M. Saturday and 1:00 p.M. Sunday. Units arriving on Saturday will be responsible for their own provisions until Sunday dinner, and may opt for an early check-in time on Sunday.

#### CHECK-IN

Upon arrival at camp, one staff member will serve as a Troop Guide to assist with the check-in process. The check-in process will not begin until all Scouts in a unit have arrived at camp. After vehicles are parked, the staff Troop Guide will escort the Scouts and leaders on a camp tour and health check. The Annual Health and Medical Record forms, medications, Routine Drug Administration forms and Swim Check form need to be with this group at the health check. Swim checks, if needed, will occur after the tour and health checks. Any Scouts needing a swim check will need to bring swim trunks and a towel with them on the camp tour. Troops are highly encouraged to conduct a swim classification test prior to camp!

The unit leader will go to administrative check-in at the program office after medical checks. The unit leader will submit a roster of Scouts and leaders. The office staff will review the merit badge and program schedule with the unit leader and address any scheduling needs. Any outstanding balances will be settled at this time.

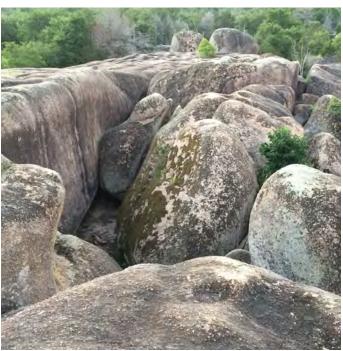

If an out-of-council unit wishes to have candidates called out for the OA, the unit leader must present a letter from the home Lodge Chief and Lodge Adviser requesting the call-out, list the members to be called out and attach a signed copy of the home lodge's unit election report.

# Items to bring to camp tour & health check:

- □ Annual Health & Medical Records, A, B & C
- ☐ Routine Drug Administration Record
- Medications
- ☐ Swim trunks & towels (if needing a swim check) or completed swim check form

### Items to bring to admin check-in:

- ☐ Unit roster of campers
- ☐ Tour plan
- ☐ Merit Badge session registration confirmation
- □ OA call-out letter and unit election report.

### **CHECK-OUT**

The check-out procedure will begin on Saturday and should be completed before 10:00 a.m. Any unit with special check-out considerations should make plans through the camp office. Vehicles will be allowed into camp to load personal and unit equipment. The camp staff and unit leader will conduct an inventory to make sure that no equipment has been damaged or misplaced and inspect the site to ensure that it is clean. Health forms, medications and routine drug administration records may then be retrieved from the Health Lodge. Patches will be issued in the Camp Office in the check-out packet after campsite inspection is complete.

### **HEALTH AND SAFETY**

### YOUTH PROTECTION FOR SUMMER CAMP

### Youth Protection Training.

All adult leaders are required to have a current BSA Youth Protection Training certificate. This training must be renewed every two years.

### Two-deep leadership.

There must be a minimum of two adult leaders at camp at all times with each unit and/or campsite. The unit leader or anyone serving as a unit leader must be at least 21 years of age and a registered member of the Boy Scouts of America.

#### No one-on-one contact.

One-on-one contact between adults and youth members is prohibited. In situations that require personal conferences, the meeting is to be conducted in view of other adults and youths. This includes digital communication.

### Separate accommodations

Separate accommodations for adults and Scouts required. When camping, no youth may share a tent with an adult or a person of the opposite sex other than a family member or guardian. Assigning youth members more than two years apart in age to sleep in the same tent should be avoided unless the youth are relatives. No adult may share a tent with the opposite sex unless he or she is that adult's spouse.

### Privacy of youth respected.

Adult leaders must respect the privacy of youth members in situations such as changing clothes and taking showers at camp, and intrude only to the extent that health and safety require. Adults must protect their own privacy in similar situations. Many individual shower and rest room stalls are in use at Kerr Scout Ranch at SLippery Falls.

### The buddy system is used at all times.

Buddies should know and be comfortable with each other. Self-selection with no more than two years age or significant differences in maturity should be strongly encouraged. When necessary, a buddy team may consist of three Scouts. No youth should be forced into or made to feel uncomfortable by a buddy assignment.

### Inappropriate technology use prohibited.

Inappropriate use of cameras, imaging, or digital devices prohibited. The use of any device capable of recording or transmitting visual images in or near shower houses, restrooms, or other areas where privacy is expected is inappropriate.

### No secret organizations.

The Boy Scouts of America does not recognize any secret organizations as part of its program. All aspects of the Scouting program are open to observation by parents and leaders.

### Youth leaders monitored by adults.

Adult leaders must monitor and guide the leadership techniques used by youth leaders and ensure that BSA policies are followed.

### Constructive discipline.

Discipline used in Scouting should be constructive and reflect Scouting's values. Corporal punishment is never permitted. Disciplinary activities involving isolation, humiliation, or ridicule are prohibited.

### Appropriate attire.

Proper clothing for camp activities is required at all times. See page 15 for details.

### No hazing.

Physical hazing and initiations are prohibited and may not be included as part of any Scouting activity.

### No bullying.

Verbal, physical, and cyberbullying are prohibited.

### **Behavior Guidelines**

All members of the BSA are expected to act according to the Scout Oath and Law. Physical violence, theft, vandalism, insults, and drugs and alcohol have no place in the Scouting program and may result in the revocation of a Scout's membership. Unit leaders are responsible for monitoring the behavior of youth members and interceding when necessary. The leadership of camp will determine if misbehavior warrants expelling a camper from the property, and it is the unit and parent's responsibility to transport them home.

#### **HEALTH AND MEDICAL PROCEDURES**

A current BSA Annual Health and Medical Record, No. 680-001, with Parts A, B, and C completed within the past 12 calendar months is required for all staff, leaders, and campers in attendance. Health history and physical examination is required for this form. Medical forms are shared only on a need-to-know basis and will be on file in the health lodge. Forms may be picked up from the health lodge upon departure from camp. Uncollected forms will be destroyed.

On arrival in camp, everyone is given a private medical screening by a physician, health officer, or other adult approved by the camp physician. This check is required by BSA National Standards and helps improve health and safety of all campers. The Camp Director and unit leaders are informed of campers with limitations so that the appropriate staff members are alerted

Any camper, youth or adult, who does not submit a current and completed BSA Annual Health and Medical Record, No. 680-001, with Parts A, B, and C will be required to leave within 24 hours. There is no fee refund. Visitors on camp less than 24 hours (such as those attending Friday evening campfire)

attending Friday evening campfire) are not required to submit medical forms.

#### **MEDICATIONS**

All prescription drugs (including those needing refrigeration) are to be kept in locked storage. An exception may be made for a limited amount of medication to be carried by a camper, leader, parent, or staff member for life-threatening conditions, including bee-sting or heart medication, and inhalers, or for a limited amount of medication approved for use in a first-aid kit. The camp will provide a locked metal box for storing small amounts of medications in a unit campsite under supervision of a qualified adult leader. All drug dispensation must be documented using the Routine Drug Administration Record, one sheet for each camper.

#### **HEALTH LODGE**

The camp employs a Camp Health Officer under the direction of the council physician. The Camp Health Officer resides in the health lodge and is available around the clock. The camp maintains an extensive first aid kit, exam room, and several beds.

Kerr Scout Ranch at Slippery Falls maintains working agreements with hospitals in Tishomingo and Madill as well as a 10-minute response time with the local emergency medical services. If a camper requires emergency medical services, or needs to see a physician, a Scout's parent or guardian will be notified by telephone. Non-emergency transportation must be arranged by the parents or the unit.

#### **UNIT LEADER FIRST AID**

Unit leaders are encouraged to provide first aid for minor cuts, blisters, and scrapes using a unit first aid kit. Please contact the health lodge for anything beyond adult leader skill and training. Camp welcomes the assistance of qualified medical personnel with visiting units!

# PREVENTION OF DEHYDRATION AND HEAT EXHAUSTION

Please prepare Scouts to counter common health issues, especially dehydration and heat exhaustion. Symptoms of dehydration and heat exhaustion are more varied than just being thirsty or hot and may include nausea, loss of appetite, headache, dizziness, and muscle cramps. Please review pages 137 to 140 of the new Scouts BSA Handbook for symptoms and first aid of dehydration and heat exhaustion. Every camper should carry a water bottle with them and drink plenty of water while at camp.

Every camper should carry a water bottle and drink plenty of water while at camp.

# WILDLIFE AND PLANT SAFETY

Most animals and plants at Slippery Falls are harmless, but there are some that demand precaution:

### Poison Ivy

Be wary of vines and shrubs with three leaves. Virginia creeper and blackberries are harmless look-alikes. Do not touch or handle poison ivy! About 70% of people are allergic to urushiol, the oil found in the sap. Wash off the urushiol with soap and water immediately – it binds to the skin between five minutes and four hours and then can no longer be removed with soap and water. Be sure to remove and wash items that may have come into contact with the oil. Calamine lotion or hydrocortisone may alleviate the itch. Refrain from using creams containing anesthetics or antihistamines, as they can actually worsen the rash. Don't scratch!

### **Ticks**

Deer ticks and Lone Star ticks are common in the woods and brushy areas. They are easily brushed off or killed before they bite. Ticks can vary in size from 1/8 inch to as small as the period at the end of this sentence. Tick bites are painless and often undetected. Check for ticks twice a day, especially in areas where clothing is tight against the skin. Please visit the health lodge for proper removal of embedded ticks.

### Fire Ants

Do not disturb ant nests! Inspect your sitting or sleeping area for signs of these small ants. Inform a camp staff of any signs of fire ants.

#### Snakes

Several species of venomous snakes can be found at Slippery Falls. Copperheads are the most common. Water moccasins, also called cottonmouths, are occasionally found near the water. Rattlesnakes are occasionally seen. Please inform the camp staff if one of these snakes is seen near a campsite or program

area. Use a flashlight at night and always watch where you step. Anyone with a bite should immediately call for the health officer!

### Scorpions, Centipedes and Spiders

These nocturnal creatures sometimes crawl into shoes or clothing left on the ground. Shake out clothing and shoes to check for these unwanted visitors. Be able to identify and avoid brown recluse and black widow spiders – their bites can be very serious. Anyone with a sting or bite should immediately visit the health lodge or call for the Health Officer.

### Bees, Hornets and Wasps

Do not disturb these insects. Remember to remove a bee stinger by scraping it out with the side of a knife blade; do not pinch the venom sac. Anyone with a sting or bite should immediately visit the health lodge or call for the health officer.

### Raccoons, Skunks and Opossums

These nocturnal mammals are attracted to food scent. Avoid having food in your tent! Do not attempt to capture one of these animals, as they will bite. A skunk can spray from up to 15 feet away.

### ALCOHOL, TOBACCO, AND ILLEGAL DRUGS

Alcoholic beverages and controlled substances are absolutely prohibited. Possession or use of illegal drugs will be reported to local law enforcement officers, as will the act of providing alcoholic beverages to youth.

Adult leaders should support the attitude that they, as well as youth, are better off without tobacco in any form and may not allow the use of tobacco products at any BSA activity involving youth participants. This includes the use of electronic cigarettes, personal vaporizers, or electronic nicotine delivery systems that simulate tobacco smoking. Camp is conducted on a smoke-free basis, with a designated smoking area located away from all participants. Absolutely no smoking is permitted in campsites, program areas, along roads and trails, or in the forest.

# FIREARMS, AMMUNITION, AND ARCHERY EQUIPMENT

Camp will provide all shooting equipment. Please leave all personal guns, ammunition, bows and arrows at home. Firearms are not to be be left in parked vehicles.

#### **FIREWORKS**

Fireworks and pyrotechnic devices are prohibited from possession or use by campers.

#### FIRES AND LIQUID FUELS

The use of liquid fuels for starting any type of fire is prohibited. This includes damp wood, charcoal, and ceremonial campfires. Solid-type starters are just as effective, are easier to store and carry, and are much safer to use for this purpose.

Units in camp will follow the guidelines on the Unit Fireguard Chart, No. 33691, and display the fireguard chart in the campsite.

Knowledgeable adult supervision must be provided when Scouts are involved in the storing, handling, and filling of stoves or lanterns or the lighting of chemical fuels.

No flames in tents. This includes burning any solid, liquid, gel, or gas fuel; this also includes insect-repelling devices.

Never leave a campfire, stove or lantern burning and unattended. The camp adheres to all official burn bans.

#### **EMERGENCY PROCEDURES**

Kerr Scout Ranch has written plans for emergency response. Further details will be shared at check-in and the first leader meeting at camp. Adult leaders should always carry a unit roster and vehicle keys while in camp. In an emergency or evacuation, having a roster and car keys will greatly expedite the process.

### Medical Emergency

In the event of a medical emergency, the Camp Health Officer should be contacted immediately. If a medical

emergency is beyond the skill and training of the Health Officer, the camp staff will contact emergency medical services. Unit leaders should not dial 911!

#### Severe Weather

In case of severe weather, campers should seek shelter in buildings or tents. Oklahoma has the best

mesoscale weather monitoring system in the world, and the staff constantly monitors for watches and warnings. At least one adult leader in each unit should have completed BSA Weather Hazards Training and be familiar with precautions for lightning and tornadoes. Kerr Scout Ranch has 22 large, in-ground tornado shelters throughout the camp. In a tornado warning, campers should seek cover in these shelters.

#### **Fire**

Uncontrolled fires should be reported to camp staff immediately. Do not attempt to put out a large fire and do

not call 911. The camp fire alarm system will sound. Leaders will be briefed on fire response upon arrival at camp.

#### **ACCIDENT AND SICKNESS INSURANCE**

The Last Frontier Council has purchased accident and sickness insurance for Scouts and adult leaders of Last Frontier Council units. Units attending camp from other councils should verify their insurance policy with their local council. This insurance is in excess of any health or accident insurance that a family may already have in place. This coverage is primary only if no other insurance is available. This insurance covers all authorized camp program activities while at camp. This insurance does not cover the co-payments for a family's primary insurance. For questions, contact the office coordinator at the Last Frontier Council.

# MOTOR VEHICLES, TRANSPORTATION & PARKING

Each unit is responsible for the safe transportation of Scouts and adult leaders to and from camp and for obtaining a local or national Tour Plan. Under no circumstances are passengers to be carried in the bed of, or towed behind, a pickup truck. This includes pickups with camper tops. Trailers must never be used for carrying passengers.

Parking is provided in three designated parking lots for adult leaders and visitors. Troops may use a vehicle to pull trailers to the campsite. After the gear and trailer are at the campsite, the vehicle must return to the designated parking lot. Units may leave the trailer in the campsite to store gear. Vehicles should not be moved into camp during the week, and roads through campsites and program areas are restricted to authorized camp vehicles only.

Scouts or adult leaders with special mobility needs should contact the camp staff prior to arrival at camp for arrangements. Once at camp, the camp staff will assist with mobility needs of campers.

### PREPARING FOR CAMP

## TROOP AND PERSONAL CAMPING EQUIPMENT

Units should prepare detailed checklists to ensure all necessary equipment is brought to camp. A shakedown may also be needed to ensure that unnecessary items stay at home.

### Scout Basic Essentials

The Scouts BSA Handbook lists ten outdoor essentials that campers should plan to take on every outing. These essentials can be carried in a day pack and are appropriate for summer camp.

- □ Pocketknife
- ☐ First-aid kit
- Extra clothing
- □ Rain gear
- Water bottle
- □ Flashlight
- ☐ Trail food
- Matches and fire starters
- Sun protection
- Map and Compass

**Group Summer Camp Gear** 

### Personal Summer Camp Gear

descriptions in this guide.

Personal gear should be labeled with the Most troops bring a trailer to camp to store common equipment. Below is a list of general camper's name. equipment often needed at a long-term camp. ☐ The Scout Basic Essentials (see previous page) Some troops may wish to bring other items □ Face masks to enrich their experience or to cook special Clothing desserts or snacks. ■ Scout uniform shirt ☐ Tents (if not using camp tents) ■ Scout uniform shorts/pants ☐ Dining fly or canopy (1 per patrol) □ Scout uniform belt ■ Scout uniform socks ■ Nylon cord ☐ Scout uniform hat ☐ Group first-aid kit □ Scout uniform neckerchief & slide ☐ Repair kit & tools ■ Scout T-shirts □ Tarps ■ Shorts □ Rope ■ Underwear Patrol flags □ Extra Shoes ■ U.S. and state flags ■ Socks □ Lanterns ■ Swim trunks ■ Solid fire starter Sleeping gear Matches Cot or sleeping pad ■ Water jugs □ Sleeping bag or bed roll □ Ice chests ■ Small pillow ☐ Eating kit (only need on Wednesday dinner) □ Hand carts ■ Spoon □ Camp chairs □ Plate / Bowl ■ Woods tools □ Cup □ Dutch oven Cleanup Kit □ Charcoal ■ Soap □ Trash bags ■ Toothbrush & toothpaste ☐ Registration paperwork (see list on page 7) □ Dental floss ■ Maps □ Comb ■ Merit badge book library □ Towel ■ Advancement forms & record book Personal items ☐ Bulletin board material & stapler or tacks ■ Scout Handbook ■ Merit badge books ■ Notebook Other items we need to bring: ■ Pencil or pen ☐ Totin' Chip & Firem'n Chit ■ Watch / Alarm clock ■ Medications & eyewear Camera ■ Money ☐ Other gear for specific activities. Some merit badges require specific clothing. Some examples are: Swimming, Lifesaving, Horsemanship, Metalworking, and Welding. Check the merit badge

#### WHAT NOT TO BRING TO CAMP

Do not bring alcohol, firearms, tobacco, fireworks, illegal drugs, video games, fixed-blade knives, excessive grooming products, highly odorous products, or excessive amounts of candy. Clothing with inappropriate language or graphics will not be permitted. No pets of any kind are permitted in camp. Service animals must be approved prior to camp. Campers are not permitted to use ATVs or utility carts. Generators and RVs are prohibited.

Use of electronic devices such as radios, music players, electronic games, and cell phones is not permitted in camp program areas. Unit leaders are responsible for setting campsite and travel policies regarding electronic devices.

Any items which are in violation of BSA policy may be confiscated by the camp staff and returned upon departure. The camp staff will work with the unit leader in all such cases.

# CAMPERS WITH DISABILITIES AND SPECIAL NEEDS

If a Scout or adult needs some extra help to enjoy the camp experience, please let us know! Unit leaders should contact the Camp Director prior to camp regarding campers with special needs that require assistance from the camp staff. Arrangements should be made in writing so the preparation can be accurate and complete. Camp is not able to accommodate all possible special needs, but the staff will work diligently to make arrangements where possible.

### Dietary

The camp cook can order some special food for vegetarians and campers with food allergies. Please provide a specific list of food requests two weeks prior to arrival. Campers may have to bring some dietary supplements and food with them.

### Mobility

Camp staff will be able to provide cart transportation to Scouts with special mobility

needs between merit badge sessions. Please contact the Camp Director by May to make arrangements. In the event that not enough carts are available, the camp staff may issue a special vehicle permit to a unit for the sole purpose of transporting a Scout with mobility needs. There are several wheelchair accessible showers and restrooms at camp. Campers may bring their own wheelchairs or motorized chairs, but ATVs are not permitted.

### **CPAP Machines**

It is recommended that CPAP users acquire a battery for their machine to use at camp. There is no power available in any campsite. Leaders may charge batteries in the west dining hall. No vehicles are permitted in campsites to power CPAP machines.

### **VEHICLES IN CAMP**

All vehicles should park in the main parking lot just past the Ranch House upon arrival. Vehicles may enter the camping area to unload or load up gear, but all vehicles must immediately return to the designated parking lot. No vehicles are permitted in campsites.

#### **CAMP VOLUNTEERS**

Kerr Scout Ranch at Slippery Falls enlists the service of a dedicated group of volunteers who provide general support to units at camp. Volunteers make sure that every unit has a great camp experience and receives any needed assistance. Volunteers will visit campsites every morning with coffee and a friendly chat. Volunteers will let other staff members know if a unit needs special equipment, campsite maintenance, or program help. The volunteers also assist with the check-out process.

#### UNIFORM AND ATTIRE IN CAMP

The official Scouts BSA field uniform is always appropriate dress at summer camp. Every camper is expected to wear the "Class A" field uniform at evening meals, while performing a flag ceremony, attending chapel and during campfires. The "Class B" uniform, substituting a Scout T-shirt for the uniform shirt, is encouraged at other times.

Campers should wear sturdy walking or hiking shoes with socks. Lighter shoes may be worn in the campsite. Sandals or shoes without toes, or with gaps or holes, are unsafe and not permitted.

Inappropriate clothing includes: sleeveless undershirts; cutoff shirts or shorts; clothes with holes; clothing with alcohol, tobacco or drug promotions, sexual references, vulgar, sexist or racist sayings, or religious insults; and bikini swimsuits. Questionable or offensive tattoos must be covered.

#### **FLAG CEREMONIES**

The camp will assemble twice daily for opening and closing flag ceremonies. Scouts will raise and lower the flag every day after Sunday. At check-in, you can pick a time for your troop to sign up as the honor guard. Scouts and leaders are expected to attend the evening flag ceremony in complete "Class A" field uniform. Scouts should wear "Class A" field uniform when performing any flag ceremony as the honor guard. Buglers are encouraged to play!

### **VISITORS**

Visitor night at camp is Friday evening.
At this time, parents will have the opportunity to eat with their children in the dining hall and to attend the closing campfire. Visitors should not plan to arrive before 5:00 p.m. as Scouts will be involved in camp activities. The campfire will conclude around 9:00 p.m.

Visitors should plan to leave shortly thereafter so Scouts and leaders can get a good night's sleep. A head count of the number of visitors who will be at Friday's dinner will be needed by noon on Wednesday. The cost of visitor supper on Friday is \$6.00. Visitors may purchase meal tickets from the Program Office. Visitors at any time other than Friday should make prior arrangements with the camp staff. There are no

facilities at camp to allow visitors to stay overnight.

All camp visitors should park in the main parking lot. Visitors must follow the same guidelines as campers with parking, wearing appropriate clothing, and not bringing pets. Visitors should wear sturdy shoes to walk around camp.

#### MAIL FOR CAMPERS

All outgoing mail may be placed in the mailbox inside the Trading Post. Incoming mail will be available only to unit leaders after 2:30 p.m. Each campsite will have an assigned mailbox inside the Trading Post. All mail sent to campers at Slippery Falls should be addressed:

Kerr Scout Ranch at Slippery Falls Scout's Name, Troop #, Campsite 4500 S. Bullet Prairie Rd. Tishomingo, OK 73460

Parents are encouraged to write their Scouts while they are at camp. Please remember that the mail takes more time in a rural area than in a large city or suburb. Letters mailed after Wednesday probably will not arrive in time. Any mail received after the troop has checked out will be returned to the sender.

#### CORRESPONDENCE

All mail and registration *prior to June 1 and after July 3* should be directed to the Last Frontier Council office in Oklahoma City. The camp office at Slippery Falls will be open June 1 - July 3, 2021.

Last Frontier Council, Boy Scouts of America 3031 NW 64th Street Oklahoma City, OK 73116 (405) 840-1114 (888) 841-1114 toll-free

Kerr Scout Ranch at Slippery Falls (only during camp) (580) 371-2068 4500 S. Bullet Prairie Road Tishomingo, OK 73460

www.slipperyfalls.com

Please refrain from sending e-mail to individual campers using the camp e-mail address.

## WIRELESS AND INTERNET CONNECTIVITY

There is excellent wireless voice phone coverage at Slippery Falls for Verizon, T-Mobile and AT&T customers. Other services are generally on roaming.

Internet service at at the camp office has limited monthly bandwidth. There is no capability to upload or download photos or videos. We will continue to allow a small number of leaders to use the Internet at the camp office as bandwidth and time allows. Please refrain from sending non-urgent e-mails addressed to campers using the camp e-mail address.

#### LEADER MEETINGS

A meeting for all the adult leaders and Senior Patrol Leaders will be held on Sunday evening. Each day, an adult leader and SPL meeting will be held just before dinner. Unit

leaders will be able to ask questions, get any updates on special events going on in camp, and the daily newsletter will be distributed.

Bring a notebook or a way to communicate back to Scouts and other adults in your unit!

#### **DINING HALL & MEALS**

Before each meal, the camp assembles at the campsite markers on the parade ground. The camp staff facilitates the flag ceremony, grace, provides program notes, and dismisses Scouts to go eat.

The table waiter system, relying on a few Scouts from each unit, is used in the Dining Halls for setting up and cleaning up after meals. The Dining Hall Stewards will explain this during the camp tour.

### **CAMPERSHIPS**

Camperships are available to Last Frontier Council Scouts camping at council camps. The campership application is included in this guide. The deadline for application is April 1, although some funding may still be available after this date. Camperships are awarded to individual Scouts and may not be transferred. All campership applications must include the signatures of a parent or guardian and the registered unit leader. The camping committee requests that as much background information as possible be included on the application to make fair and helpful decisions. Scouts awarded camperships will be notified by mail and the discounted camp fee will be entered into the unit's camp registration.

#### **MAVERICK CAMPERS**

Scouts who wish to attend summer camp outside of a regular troop may attend Kerr Scout Ranch as a Maverick. Maverick campers will enjoy all the benefits of camp including a tent, merit badge sessions, twilight activities, and meals in the dining hall. Also provided will be two-deep adult leadership with a Scoutmaster. Mavericks attending one week of camp should follow the same registration and payment schedule as other Scouts. Mavericks attending Kerr Scout Ranch for a second or third week are exempt from late fees. Mavericks may register for any week of camp.

A maximum of six Scouts may attend the Maverick program from the same troop, and troops sending more than three Scouts must provide an adult leader. Maverick campers must have permission from their regular Scoutmaster to attend along with a written letter of reference. The application for Maverick campers is at www.slipperyfalls.com.

### LEADER TRAINING

Our staff offers a variety of leader trainings throughout the week.

**CPR & First Aid (AHA)** – W 1:30 p.m.

Climb on Safely – M 9:50 a.m.

Paddlecraft Safety & Supervision – F 9:30 - Noon

Climbing Instructor LvI 1 – TWTh 9:00 a.m. - noon

Safe Swim Defense – M 6:30 p.m.

Safety Afloat – M 7:00 p.m.

Swimming & Water Rescue – MTWTh 9:00 - 9:50 a.m.

Introduction to Outdoor Leader Skills Schedule & availability varies by week.

### CAMP-WIDE ACTIVITIES AND COMPETITIONS

#### TWILIGHT ACTIVITIES

Many opportunities are available for unit activities in the evening hours. Some activities have been scheduled by camp staff and are open to all Scouts and leaders; other activities may be done on a troop basis and can be scheduled by the unit leader through the appropriate area director.

The Aquatics Area will sponsor free nights of boating, blobbing and swimming. These free nights are available on Monday, Tuesday and Thursday. Scouts that do not enroll in regular aquatics sessions will have the opportunity during these times to participate in waterfront activities. Troops may also sign up for a refreshing swim at the waterfalls under their own leadership. Sign up for a swim at the falls with the Aquatics Director during the leader meetings.

The **shooting ranges** are open during twilight hours for any Scout qualified to shoot. The **climbing & rapelling tower** is open on a first-come first-served basis with priority to those working on rappelling for Camping Merit Badge. **Fishing** from the shore of the lake and ponds is welcome - no wading, please. Sign-ups for **horseback trail rides** are done at camp the day of the trail ride.

#### BADEN-POWELL GAMES

Old-school Scouting games will be the highlight event on Tuesday evening. Test your mettle as a patrol using Scout skills and clever teamwork. We will keep score!

#### BROWNSEA AND HERITAGE CAMPFIRE

Thursday evening will feature a re-enactment of the Brownsea Island campout of 1907. This interactive activity will showcase the first Scout camp as we celebrate this year's theme, All Out For Scouting!

#### INTER-TROOP CAMPFIRES

Each Wednesday night, the troops in camp pair up together for an evening of fun and fellowship. Starting at about 5:00 p.m., the troops are on their own program time to schedule activities of their own choosing such as chapel services, nature hikes, fishing trips, or a game of horseshoes. It is recommended that troops should do a campfire together to ensure that the Scouts in Communications merit badge are able to fulfill their campfire planning requirement. Dinner will be delivered to the campsites at about 5:30 p.m. SPLs from both troops will inform the camp office before noon on Wednesday which troop they are pairing with and whether or not they need camp food. Troops may bring and prepare their own food if they so choose. Inter-troop campfires may be restricted due to social distancing requirements of a continuing COVID-19 pandemic.

#### SCOUTMASTER COOK-OFF

On Thursday evening the most popular competition at Slippery Falls is the Scoutmaster Cook-off. The prize on the line is not only a year's bragging rights, but also the coveted camp apron. This challenge is for the best entree and dessert in camp and is open to all adult leaders. So bring your cooking utensils, your secret ingredients, and your best recipe!

# SCOUTMASTER / SENIOR PATROL LEADER SHOOT-OFF

On Thursday evening, Scoutmasters and SPLs team up for our team shoot extravaganza. Each Scoutmaster/SPL team will compete together in archery, shotgun, and .22 rifle. The total combined score of each will determine the winning team and the team that does the best in each competition will be crowned as the camp sharpshooters.

### PATROL FLAG COMPETITION

On Friday each patrol around camp will be able to enter their patrol flag in a competition to see which patrol is the most creative, most original, and most artistic. Patrols are encouraged to make their flag ahead of time and bring it with them to camp.

#### FRIDAY CAMPFIRE

At the Friday night campfire, Scouts will provide the skits, stunts and songs. There will be sign-ups during the week with an audition on Friday morning for campfire selection and placement. Not every skit can be chosen for campfire, so practice hard and polish up your acting and musical skills! We will also present awards to patrols and Scouts who scored tops in competitions throughout the week.

#### **DUTY TO GOD**

Vespers is a short fellowship service held each day at camp. Vespers is held at the chapel and everyone is encouraged to attend. Members of the staff will conduct the first vespers, with the assistance of the camp chaplain. Scouts and units may volunteer at check-in to lead one of the services during the week.

Scouts may also volunteer to lead grace prior to meals. Scouts do this through their Senior Patrol Leader.

#### SLIPPERY FALLS GRACE

For Food and Fun,
For Good Friends and Good Health,
For Sun and Rain,
For Our Council Fires
and the Trails to Follow,
We Thank Thee O Lord.

Amen.

### MERIT BADGES AND PROGRAMS

#### MERIT BADGE SESSIONS

Experiencing camp through merit badges is the core of the summer camp program for Scouts. Merit badge sessions are offered by the program staff throughout each day, mostly during six scheduled session times. Scouts may take field trips while working on Animal Science, Art, Citizenship in the Nation, and Indian Lore. Some merit badges and programs require Scouts to attend two or three sessions each day, including Eagle Trail which is a three-session block.

Scouts will be able to complete many merit badges at camp. Some merit badges have requirements that should be completed prior to camp, and some requirements may only be completed outside of camp. Scouts must demonstrate completion of each requirement before it is approved by a counselor.

Merit badges and programs are run through various Program Areas at Kerr Scout Ranch at Slippery Falls. This is to ensure qualified instruction by knowledgeable counselors and a great experience by Scouts in each area.

#### THE SCHEDULE

Most merit badge instruction takes place in scheduled sessions at camp, but some instruction takes place in early morning times, late evening times, over lunch, and on field trips. There are six scheduled session blocks each day on Monday, Tuesday, Wednesday, and Thursday. Merit badges and programs may take from one to six of these blocks on a daily basis, and most merit badges are scheduled for only one or two blocks. Friday does not have any scheduled sessions, but Scouts will have time to catch up on any missed sessions or complete unfinished requirements on Friday morning.

#### FIELD TRIPS

Depending on social distancing restrictions due to the COVID-19 pandemic, Scouts enrolled in certain merit badges will have the opportunity to take field trips off of camp property. Adult leaders and vehicles may be needed to transport Scouts to these locations. If an adult is interested in driving, please provide a copy of their Driver License and insurance verification to the camp office. This service may be used as credit toward the Scoutmaster Merit Badge.

### Citizenship in the Nation

Scouts in this merit badge will tour the Reagan National Fish Hatchery, a federal government facility.

### Farm Mechanics and Animal Science

Scouts in these merit badges will tour the neighboring Round Rock Ranch, a working Charolais cattle ranch.

#### Indian Lore & Art

Scouts in these merit badges will tour the Chickasaw Nation History Museum and Art Gallery in Tishomingo.

#### MERIT BADGE PREPARATION

Scouts should come to camp with a familiarity of the subjects they will be learning about for the week. Merit badge pamphlets are available for purchase at the trading post, but acquiring a book prior to camp is recommended. It is a good idea to bring a notebook and pencil for each merit badge session.

The first requirement of many merit badges is to know first aid procedures for common injuries or illnesses that may occur during the associated activity. Counselors will touch on this topic, but Scouts should be familiar with basic first aid procedures before attempting more adventurous merit badge topics.

Some merit badges have requirements that cannot be completed in a camp setting which are listed on the merit badge schedule page. The camp staff recommends that these requirements be completed at home prior to camp, and will accept a note from the Scoutmaster or another merit badge counselor for completion of these requirements. Camp counselors will review these requirements with the Scouts to their satisfaction.

Some merit badges have requirements dealing with "your state" or "your community." If a merit badge requirement is completed at summer camp, we will use Oklahoma as the relevant state and Tishomingo as the community. Requirements not possible to complete in this manner are listed in the preparation section, and a Scout may have to complete some requirements in their home, family, or community.

Several merit badges have special clothing or equipment that Scouts must bring to camp. All aquatics merit badges require swim wear. Kits may be purchased from the camp trading post for those merit badges where kits are necessary.

Order kits and other supplies from the trading post from the online registration website beginning on April 1 and no less than two weeks prior to arrival.

WEEKLY
CAMP
SCHEDULE

Kerr Scout Ranch at Slippery Falls follows this general weekly schedule. Times are subject to change and will be published in the Daily Slip newsletter.

### **FRONTIERSMAN**

### First-year camper program

In the Frontiersman program, Scouts will cover many requirements from Tenderfoot through First Class ranks. They will be learning the basic Scout skills or refining skills that they already know. Scouts will be covering requirements for knots, lashings, woods tool use and care, swimming, lifesaving, orienteering, plant and animal identification, fire building and first aid. Each Scout will need a swimsuit, towel, personal first aid kit and their Scouts BSA handbook.

Scouts in the Frontiersman program will become a member of a provisional patrol for the week and will have the full attention of experienced staff mentors. This program is a great introduction to summer camp and is highly recommended for all first-year campers.

This program will take an entire morning. Scouts may enroll in one, two, or possibly three other merit badge sessions appropriate to the level of challenge they can handle.

### OUTPOST

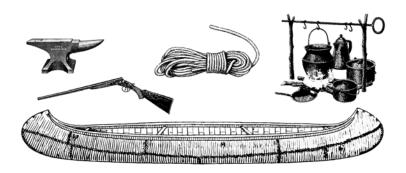

### **Older Scout & Venturing program**

Outpost is a program designed for experienced campers who have most of the merit badges they need, but still want to enjoy the fun of camp!

Outpost campers will camp in their own campsite apart from their troop, sleeping under the stars. They may spend the first part of the day in scheduled merit badge sessions of their choice. The afternoon and evenings will be spent with their fellow Outpost campers participating in the most extreme activities at camp: climbing, shooting sports, kayaking, metalworking, tomahawk throwing and more! Of course, Scouts will also enjoy cooling off in the waters of Slippery Falls.

Participants will receive special training as troop instructors, and camp staff will call upon the Outpost to assist with a few campwide activities and trainings.

The outpost is furnished with canvas tents and cooking equipment. Scouts should bring their own ground cloth or cot and a sleeping bag or bedroll. Scouts will prepare and eat lunch & dinner separate from their troop. Activities in this program will happen during afternoons and evenings, and Scouts may use their free time every morning to take one or two merit badges offered through morning sessions 1 & 2. Scouts must be 14 years old to participate and at least First Class rank. Participants must be classified as swimmers.

### **AQUATICS**

Instruction in this area takes place at the Lake Payne waterfront. Scouts participating in boating programs should bring shoes that can get wet.

### Canoeing

Scouts must be classified as a Swimmer and need to bring shoes that can get wet.

### Kayaking

Scouts should be at least 13 years old and have Swimmer classification. Kayaking is physically challenging and requires good body strength.

Bring shoes that can get wet.

### Lifesaving

This is an advanced merit badge for strong swimmers. Scouts need to bring long pants and a button-up shirt that can get wet. Scouts must have

already completed Second Class requirements 5a through 5d and First Class requirements 6a through 6e.

### **Motor Boating**

This is a very popular merit badge and fills up quickly. Scouts need to be Swimmers and bring shoes that can get wet. We use two 15' boats with 8.5 hp Mercury outboard motors.

### Mile Swim BSA

This is an award that Scouts and leaders can earn at camp. Campers must participate in practices Monday through Thursday from 6:30 A.M. to

7:00 A.M. and complete the Mile Swim on Friday morning at 6:00 A.M. Volunteer rowers will be needed to escort swimmers across the lake at 6:00 Friday morning.

### Rowing

Scouts must be classified as a Swimmer and need to bring shoes that can get wet.

### Small Boat Sailing

This is the most advanced boating merit badge. Scouts must be familiar with knots and be Swimmers. Bring shoes that can get wet. We use 14' Laser 'Pico' sailboats.

### Snorkeling BSA

Scouts may bring their own mask and snorkel or use the camp equipment. Camp will provide fins. This is a skill award, not a merit badge.

### **Swimming**

This merit badge is required for the rank of Eagle Scout and an essential Scout skill. Scouts must be classified as a Swimmer and will practice

swimming strokes and diving.

#### Swim Instruction

This session is for Scouts who have not yet met the requirements to be classified as a Swimmer and want to improve their swimming skills. This is not a merit badge.

### CHICKASAW VILLAGE

### American Cultures & Indian Lore

Scouts will learn more about their own culture, the Chickasaw culture, and one other culture of their choosing. Indian Lore features an in-depth experience of Native American culture focusing on the Chickasaw Nation. Scouts will visit the Chickasaw museum in Tishomingo.

### Archaeology

Scouts will experience the field of Archaeology by using archaeological techniques, presentations, and artifact re-creation with an emphasis

on the history of south-central Oklahoma and the Chickasaw Nation.

#### Art

This merit badge concentrates on two-dimensional art, specifically drawing and painting in various media, with an emphasis on

contemporary Chickasaw art and artists.

### Basketry

Scouts will make two kinds of baskets and a camp stool seat using different kinds of material and weaving, and will learn about traditional Chickasaw

basketry. Scouts may purchase kits from the trading post for about \$15.

### **Pottery**

Scouts will learn about clay, forms, and pottery techniques. They will use a potter's wheel, a kiln, and learn about Chickasaw pottery.

### Sculpture

Scouts will model in clay a life-sized human head and sculpt a small-scale model of an animal or person. This is a simple and fun merit badge to earn.

### **Textiles**

Fibers, dyes, yarns and fabrics are all covered as Scouts learn about the sophisticated materials around them. This is a great session to learn about the materials of camping gear, the textile industry, and Native American textile art.

### **CLIMBING & RAPPELLING**

### **Climbing**

Camp has an indoor climbing wall, an outdoor climbing & rappelling tower, and natural rock. Scouts will learn climbing safety and techniques.

climbing knots, ropes, and equipment. *This is a physically and mentally challenging merit badge to earn!* Scouts must be able to climb, belay, and rappel their own weight. Recommended minimum age is 13. The tower is one of the tallest in the region: over 50 feet tall! It includes walls of varying difficulty,

including two negative elements. Come climb

with us & enjoy the view from the top!

### TRADING POST

### Salesmanship

By studying salesmanship, Scouts can learn self-confidence, motivation, friendliness, and the persistence necessary to overcome obstacles and solve problems. Through teamwork

and competition, Scouts will experience what it is like to run an actual store. They will create their own sales models, learn basic retail techniques, and even try their hand at being a Slush Puppy chemist!

We have room for two Scouts, who must be at least 14 years old, in each hour-long session. Scouts will assist with sales in the trading post while working on merit badge requirements.

# ECOLOGY & CONSERVATION

#### **Environmental Science**

This is an advanced merit badge required to earn the rank of Eagle Scout. Scouts will study ecology, pollution prevention, endangered

species, environmental impact and conservation.

### Fish & Wildlife Management

Scouts will learn the science behind animal and fish populations and participate in hands-on studies of streams, lakes, and animal habitats.

### **Forestry**

Forest ecology and management is the emphasis in this session. Scouts will create a field notebook, learn about tree identification and careers in forestry.

### Geology

Kerr Scout Ranch at Slippery Falls is home to some of the oldest rocks on the planet. Scouts will enjoy exploring the field of geology

including surface rocks, energy resources, mineral resources, and earth history.

### Insect Study

This merit badge is the buzz around camp! Learn what makes all the noises at night and what's flying and crawling around during the day.

Scouts will observe insects during the morning session and at night.

### **Mammal Study**

Scouts will learn about animal signs and tracking as they study the mammals that abound at camp.
Scouts will hone their observation

skills and conduct a project that will impact mammal numbers.

#### **Nature**

Scouts will show proficiency in a varied study of ecosystems, animals, plants, and soil. This is a great merit badge to combine with another badge

in this program area, as many requirements overlap.

#### Plant Science

Learn about the amazing variety of trees and plants at camp. Scouts will learn about invasive species, plant ecology, and complete the field

botony option of the merit badge.

### Reptile & Amphibian Study

Scouts in this merit badge will observe various kinds of reptiles and amphibians in terrariums and in the wild. Scouts must explain and

demonstrate significant knowledge of these animals that they will learn throughout the week at camp, and keep a reptile or amphibian for three months outside of camp or other option in requirement 8.

### **Complete Angler Badge**

by earning three fishing related merit badges: Fishing, Fly Fishing, and Fish & Wildlife Management.

### **FISHING**

### **Fishing**

Scouts will learn to use fishing tackle, knots, lures and baits. Scouts are encouraged to bring their own fishing tackle, but may use the camp

equipment. Closed-face spincast and spinning reels are recommended. Common fish at camp are sunfish, bass, and catfish. Scouts must catch at least one fish and clean & cook a fish. Bring an extra pair of shoes dedicated for entering the water.

### Fly Fishing

This style of fishing is more complicated than the style used in Fishing merit badge. Scouts will learn how to use fly fishing

equipment and techniques. Smallmouth bass and sunfish are common in Pennington Creek. Scouts must catch at least one fish and clean & cook a fish. Bring an extra pair of shoes dedicated for entering the water.

### LIFE TO EAGLE

#### Chess

An ancient game of skill that teaches strategy and planning in motion.

Learn a variety of chess strategies and tactics including opening, middle

game, endgame, exploiting weaknesses, force, king safety, pawn structure, space, and time.

### Citizenship in the Nation

This is an Eagle-required merit badge. Scouts will learn about the national government and how it works. They will have the opportunity

to tour a federal installation. Scouts will read and analyze the local newspaper, discuss the founding documents of our country, and study a speech of national significance. Scouts must develop a good understanding of American citizenship to satisfy the requirements of this merit badge.

### Citizenship in the World

This is an Eagle-required merit badge. Scouts will learn what citizenship means and about the laws and government in different countries

around the world. Scouts will learn about life in foreign countries, the institutions that affect international relations, and how the United States manages its international affairs. Scouts must demonstrate a good understanding of these subjects in order to earn the merit badge. Slippery Falls hosts an International Scout as a member of the camp staff each summer who helps with this merit badge.

#### **Communication**

This is an Eagle-required merit badge. Scouts will learn about communication in different forms and different settings. Scouts will also

plan and organize their Wednesday inter-troop campfire. Scouts should attend a public meeting as listed in requirement 5 where several points of view are given prior to camp. Earning this merit badge will take up some free time working on writing and developing the required communication pieces.

### **Cooking & Fire Safety**

Cooking is an Eagle-required merit badge, and Fire Safety goes right along with it. Instruction time is during session 3, over lunch, and during session 4. Scouts will learn the cooking skills and nutrition information outlined in requirements 1-3 and

prepare the camping meals for requirement 5. Scouts will eat lunch at the Ranch house each day and help prepare the leader dinner on Thursday night. Scouts are encouraged to prepare the Wednesday troop dinner in their own troops. Requirements 4 and 6 will not be completed at camp. Fire Safety will cover most requirements.

#### Law

Learn about law enforcement, criminal law, civil law, and participate in a mock trial. Learn about legal processes, the legal profession, and

how the law affects you and others. Law is an important aspect of digital technology, patents, environmental policy, and copyrights.

### **Scouting Heritage**

Participate in the activities for this year's camp theme of All Out For Scouting! Play old-time Scout games, see interesting collectibles, visit with

life-long volunteers and and deepen your understanding of the worldwide youth movement of Scouting. Prepare items in requirements 5 & 6 prior to camp.

### **OUTDOOR SKILLS**

### **Camping**

This is a significant merit badge required for the Eagle Scout rank. The instruction covers camping skills including gear selection, navigation,

campsite selection, and food prep. Scouts should complete requirements 4a and 4b as they prepare for summer camp by making a duty roster and assisting another patrol to do so. Requirements 8c and 8d must be completed outside of class by preparing a menu and cooking a variety of patrol meals. Scouts must camp a total of 20 days & nights as defined in 9a to complete the badge. Scouts will be able to rappel and complete 9b(6) at camp but must complete one other 9b option outside of camp.

### **Emergency Preparedness**

This is an Eagle-required merit badge. Scouts need to have already earned the First Aid merit badge. Scouts will learn how to prepare for,

respond to, and recover from emergency situations as well as preventing them if possible. Scouts will demonstrate emergency response actions and participate in a drill. Scouts must complete requirement 2c outside of class, which involves a family meeting and family emergency response plan. Requirements 8b is to prepare a persoanl kit that must be prepared outside of camp.

#### First Aid

This merit badge is required for the Eagle Scout rank. Scouts should already have a good understanding of the first aid requirements for

Tenderfoot, Second Class, and First Class ranks. Instruction in this session will focus on first aid skills beyond these requirements including an understanding of CPR and AED use (but not certification) and more extensive injuries and situations. Scouts should bring a first aid kit for 5a.

### Geocaching

Use the Global Positioning System to find geocaches! Learn about latitude, longitude, the Universal Transverse Mercator system, and specifics on

setting up your own caches. GPS units will be provided, but bring your own if you wish.

### Orienteering

Scouts will learn about map and compass navigation and competitive orienteering. They will lay out and complete orienteering courses and

find their way with other navigational aids. This is an essential skill for wilderness travel and backcountry trekking. Scouts may complete requirement 10 outside of the sessions.

### Paul Bunyan Award

Scouts must have earned the Totin' Chip. Scouts will learn how to teach the Totin' Chip requirements and perform a

conservation project, becoming experts in woods tools. This is an award, not a merit badge.

### **Pioneering**

Scouts will use ropes, lashings, and spars to build useful and fanciful camp gadgets and towers. Scouts should be familiar with the knots and

lashings of the Tenderfoot, Second Class, and First Class ranks to participate in these sessions.

#### Search and Rescue

Scouts will learn real-life search and rescue skills. They will learn proper procedures and then practice them in realistic scenarios. They will know what it is like to help someone who is

missing and how to do their part to help.

### Wilderness Survival

Scouts should have mastered First Class first aid and outdoor skills to participate in this challenge. Scouts will participate in a Thursday

overnight survival session and learn how to live in remote locations and extreme situations. Scouts must have clothing and shoes for a hike and overnight outpost.

### SHOOTING SPORTS

### **Archery**

Scouts will learn how to safely handle and shoot a bow and arrow. There is an approximate cost of \$7 for an arrow kit available in the trading post.

Scouts will complete the recurve or compound bow options and shoot arrows at 15-yard targets.

This is not a merit badge, but is a fastpaced shooting activity with a Western theme. Participants must be registered Venturers or Scouts, at least 14 years of age, or 13 and completed the 8th grade AND completed rifle or shotgun merit badges. Participants will adopt a cowboy name and shoot two single-action .22 revolvers, a .22 lever-action rifle, and a stage coach double-barrel shotgun. This program is offered during morning block 1, during twilight programs, and as a part of the Outpost program.

Rifle Shooting (modern .22 cartridge)

This is one of two Rifle Shooting Merit Badge options offered at

Slippery Falls. Scouts will use .22 rifles with and without scopes under the instruction of an NRA Instructor. Ammunition is provided for merit badge

sessions. Ammunition tickets must be purchased at the range for evening ticket shooting.

### Rifle Shooting (muzzle-loaders)

This is one of two Rifle Shooting Merit Badge options offered at Slippery Falls. Participants should be at least second-year campers, and shooting

experience is recommended. Scouts will use muzzle-loading, black powder type rifles shooting at long-distance targets. Scouts will be under the instruction of an NRA Instructor. Ammunition is provided for merit badge sessions. Ammunition tickets must be purchased at the range for evening ticket shooting.

### **Shotgun Shooting**

Advanced campers may participate in shotgun shooting merit badge using 20-gauge shotshell-type guns. Scouts will learn about the sport of

shotgun shooting, safety, and how to maintain a firearm. Scouts should be physically strong enough to shoot the gun and must hit 48% of clays in two 25 target groups to complete the requirements at camp. Ammunition is provided for merit badge sessions. Ammunition tickets must be purchased at the range for evening ticket shooting.

### **TECHNOLOGY**

Due to the COVID-19 pandemic, our usual Technology offerings are limited. It may be possbile to again offer Animation, Game Design, Electronics, Moviemaking, Photogprahy, Programming, and Robotics, but at this time we do not think we will be able to do so.

### **Astronomy**

There have been great new astronomical discoveries in the past year! Scouts will observe stars, planets, and other celestial objects. There

will be some nighttime observation sessions in addition to the daytime session.

### Space Exploration

Catch the spirit of the great space explorers! Experience why space missions are launched and the physics of rocketry. Scouts will build,

launch, and recover model rockets (available for purchase from the trading post.) Be sure to bring a broad-brimmed hat for sunburn protection at the launchpad.

### **WESTERN HERITAGE**

#### **Animal Science**

Scouts will experience the beef cattle industry and take a tour of the neighboring Round Rock Ranch, home of many fine Charolais cows and bulls.

### **Dutch Oven Cooking**

This is not a merit badge, but a series of informational sessions on Dutch oven cooking. Scouts will learn how to cook with and care for cast iron cookware over an open fire and coals.

#### Farm & Auto Mechanics

For Scouts who want to learn more about engines and mechanics, this is the badge for you! Scouts will get hands-on experience with implements, engines, and farm tools. Instruction topics include engine maintenance,

electrical systems, hydraulics, and drive train. Scouts will have the opportunity to visit the Round Rock Ranch to see more farm implements and vehicles in action.

#### Leatherwork

Scouts will be making leather crafts such as a knife pouch and dyeing a belt. Scouts will learn how to craft and care for leather items and should

bring one leather item from home such as a shoe, glove, or belt. Materials cost about \$8 in the trading post, and may be pre-ordered.

### Metalwork

Scouts will use the blacksmith forge and iron in this merit badge session. Scouts need to wear long pants and a long-sleeved shirt to protect them-

selves from the heat of the forge. Scouts may bring their own gloves. Minimum age is 13 years old. There is a fee of \$12 for materials. Scouts will complete steel items with decorative twists, L-bends, and U-bends. For fire safety, wear no synthetic clothing - only natural fibers, such as cotton, are permitted.

### Horsemanship

Saddle up! Scouts will learn how to care for and feed horses, horse health, different types of riding, caring for tack, and how to ride. Plenty of riding time is scheduled with extra trail rides available during twilight hours.

Scouts should be experienced campers, preferably 12 years old, and be able to physically ride a horse. All participants must bring long pants. Also required are boots, preferably cowboy boots, with heel. Hiking boots make poor riding boots - we would prefer smooth-soled shoes like work boots with minimal tread and lacing. All riders are required to wear helmets (provided), long pants and boots. There is a \$55 fee for this merit badge in addition to the camp fee.

Sessions are limited to 12 participants, and each Scout will get lots of coaching tailored to their ability level. Come ride with us!

### **Plumbing**

This is a great badge for Scouts who want to learn practical skills. They will learn how to

design the plumbing layout of a house. Also, they will become

familiar with plumbing tools on actual fixtures. They will also be able to use a torch to do actual soldering on copper tubing.

Experience the skill of welding commonly used in industry and agriculture. Scouts need to wear long cotton pants and a long-sleeved

cotton shirt to protect themselves from the heat of the torch Minimum age is 13 years old. There is a fee of \$10 for materials. For fire

safety, wear no synthetic clothing - only natural

fibers, such as cotton, are permitted.

### Woodcarving

Scouts should be second-year campers and have previously earned the Totin' Chip. Scouts will learn about wood choice and carving tech-

niques with special carving knives. Adults with carving or whittling experience are needed to assist in these sessions on Wednesday and Thursday. The needed kits are available in the trading post for about \$9 and may be pre-ordered.

### TRADING POST

The trading post supports the program by offering a variety of kits, supplies, souvenirs, and snacks for sale to campers. The trading post is open most hours of the day and evening with the exception of meals and camp-wide activities. Accepted payment methods include credit card, check, and cash. All prices are rounded to the nearest 25 cents, so no coins other than quarters are necessary. All prices include sales tax. There is no ATM at camp.

The trading post carries a wide array of items. Here is a sample list:

Souvenirs:

Belts & Belt Buckles Camp T-shirts Camp hats Camp maps Camp mugs

Carabiners
Hiking staves

Hiking staff medallions

Knives
Patches
Pins
Stickers

Kits:

Arrow kits
Basketry Kits
Fishing supplies
Leatherwork kits

Metalwork and welding

supplies

Native American style crafts Rocket kits (for Space Ex.)

Woodcarving kits

**Outdoor gear:** 

550 Paracord Duct Tape First Aid Kits Flashlights Hammocks Hatchets Knives Ponchos

Survival kit items Water bottles

Concessions:

Candy Bars Frozen treats

Fruit
Hot dogs
Ice cream
Jerky
Nachos
Popcorn
Slushies
Soda Pop

Sports drinks

Other items:

Scout BSA Handbooks

Envelopes Games

Insect repellent

Merit Badge Pamphlets

Paper Pens Postcards

Scouting Publications

Stamps

Sundries (sunscreen, toothpaste, soap, batteries, etc.)

The trading post also serves as the post office at camp. Each campsite

has a cubby for

incoming mail, and there is a mailbox for outgoing mail.

### TROOP PHOTO

All units will be scheduled a time to take group photos. Each unit will take home a printed photo. A copy will be provided to each unit for further distribution.

### PRE-ORDERING KITS, SHIRTS AND HATS

Units may order a variety of items in the spring prior to arrival at camp. Pre-order items include camp shirts, camp hats, and certain merit badge kits. Items are available for sale on Tentaroo beginning April 1.

#### DAILY NEWS AND INFORMATION

The program office publishes a daily newsletter titled *The Daily Slip*. The camp staff hands it out at the leader meeting each day. Any schedule changes or news items will be listed. Please submit photos or special stories you would like to share with the camp!

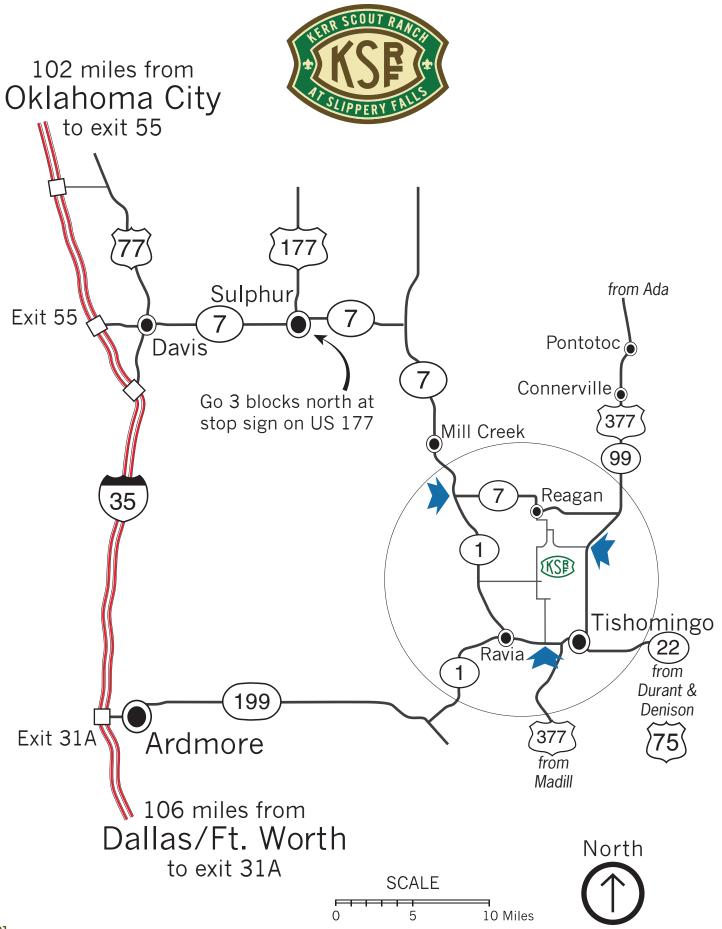

# HONOR AND MERIT TROOP APPLICATION

The Honor Troop and Merit Troop awards recognize units that participate fully in the camp program, follow camp rules, and demonstrate the true spirit of Scouting. Please complete this form and turn it in by Friday at NOON.

### UNIT SWIM CLASSIFICATION RECORD

This is the individual's swim classification as of this date. Any change in status after this date i.e., non-swimmer to beginner or beginner to swimmer, would require a reclassification test by the Camp Aquatics Director.

SPECIAL NOTE: When swim tests are conducted away from camp or at the point of activity, the Camp Aquatics Director retains the right to review or retest any or all participants to assure that standards have been maintained.

### A BRIEF HISTORY OF CAMP

#### **SUMMER CAMPING SINCE 1967**

In late 1966, leaders of the Last Frontier Council explored land that was then known as Slippery

Falls Ranch to see if the location was suitable for a Boy Scout camp. Amazed by the beauty of the rock formations and pristine waters of Pennington Creek, the council decided to purchase the land and open it for summer camping in 1967.

#### THE MOST HIGH ORDER OF THE DONKEY

A massive work project was planned for April of 1967. Known as "Donkey Weekend," the project involved over 400 volunteers and staff working on infrastructure, construction, and campsite building projects to prepare the camp for Scouts. The workers called themselves The Most High Order of the Donkey, and continued the massive work weekends for several years to build the camp.

Much of the work involving heavy machinery was done by the National Guard. In 1970, Lake Payne, built by Guard Companies C and D, was dedicated in honor of William T. Payne, longtime Scouting leader and past president of the Last Frontier Council.

#### **CAMPSITES**

The first campsites at Slippery Falls Scout Ranch were on the east side of Pennington Creek.

Campers used a simple bridge to cross the creek just upstream of Slippery Falls. One year the creek flooded, and camp staff used a cable and pulley system to transport food across the creek until the waters subsided.

The first permanent campsites were established in 1970 on the west side of the creek where most of camp is today. The first campsites were named after ranches in Oklahoma.

#### CAMP DEVELOPMENT

The council raised \$900,000 from 1974-1976 for camp development, and in 1977 the first kitchen was constructed along with shooting ranges, showers, and staff facilities. A junior leader training program called Brownsea Double-Two was started in the summer of 1976. The camp was ready for a large increase in camp attendance when the Sasakwa summer camp operation was closed after 1979.

Specialty camp weeks opened in the 1980s included Aquatics Week, Fish Camp, Shooting Camp, and Webelos Camp. A horse program was begun in 1990 and attendance reached over 1,600 campers.

Another round of construction in the mid-1980s resulted in an expanded dining hall and a program building. The Most High Order of the Donkey was recalled in 1991-1992 for improvements to camp for the 25th anniversary.

#### PROGRAM CHANGES

Merit badge offerings at Boy Scout camp were expanded throughout the 1990s. In 1996, Webelos programs and Brownsea moved to Camp George Thomas, and Boy Scout camp attendance again increased with troops from the Black Beaver Council and four additional campsites.

#### KERR SCOUT RANCH AT SLIPPERY FALLS

A third capital improvement campaign was launched in 2007 with construction continuing through 2016. Over \$4 million of improvements included new water and electrical infrastructure, staff cabins, dining halls, headquarters buildings, and facilities for aquatics, climbing, and other program areas. The Oklahoma Centennial of 2007 was commemorated by a ranch house and the Chickasaw Nation funded the construction of a Chickasaw Village. The camp name was changed to honor the Kerr family of Oklahoma, instrumental in the capital investments in camp since 1974. Today, Kerr Scout Ranch at Slippery Falls hosts well over 2,000 campers every summer, offering over 70 merit badges and adventure programs.
